

No. 09 INFINITY

Sliding Glass Internal Doors

Save space and create light.

Elegant divide

A glass door gives any room a subtle touch of sophistication by dividing two spaces without completely cutting them off.

Considered design

This door is the perfect practical solution for when space is essential, such as storage areas in en-suite bathrooms.

A unique environment

Welcome superior, striking aesthetics into your home with a glass sliding door. These doors bring homes to life and their uniqueness will be the envy of guests.

Complete the look

Add those finishing touches with a choice of handles and track designs.

Find yours

Available in two distinct glass designs etched onto toughened safety glass.
