

# Test Certificate

This certifies that the Balustrade ref: MSP3511 manufactured by Jeld-Wen has been tested at FIRA International Ltd and has satisfied the tests requirements contained within BS 6180: 1999: Barriers in and about buildings, as amended by the TRADA Product Conformity Scheme relating to allowable deflection, for balustrades to be used within the domestic environment.

The Balustrade ref: MSP35011 is therefore considered suitable for domestic applications.
